

## VISITOR LOG POSTER: ENTRY CONDITIONS FOR VISITORS TO POULTRY SHED, PRODUCTION AREA AND/OR RANGE AREAS

ENTRY TO POULTRY SHEDS AND/OR RANGE AREAS IS SUBJECT TO THE FOLLOWING CONDITIONS:

	<p>All visitors must wear clean laundered clothes, clean fully-enclosed protective boots/shoes, as well as any protective clothing provided.</p>
	<p>All visitors must sanitise boots and hands on entering production area/shed/ranges</p>
	<p>Visitors who keep poultry, caged birds or pigs at home, are not permitted entry to the biosecure production area.</p>
	<p>Visitors who have been in contact within 24 hours of the visit to other poultry, birds or pigs are not permitted entry to the biosecure production area.</p>
	<p>Visitors must declare if they have travelled internationally in the 5 days prior to the visit. If contact with any poultry, birds or pigs was made while travelling, entry is not permitted.</p>
	<p>Visitors who have recently recovered from, or still suffering from gastrointestinal disease or a confirmed infectious respiratory disease are not permitted entry.</p>
